A Version of Nixon Role

LOS ANGELES — (UPI)

— Columnist Jack Anderson believes President Nixon himself gave the orders which led to the Watergate affair.

Anderson, in an interview with Radio Station KFWB, said the orders probably were of a general nature and that Nixon may not have known of the illegal methods used to carry them out.

The columnist said the President did not use the words "sabotage" or "espionage" but was aware of "black" activities.

There was a political fight between President Nixon and the Congress, he said. He once spoke of a "political" conclusion and said it was to move on. He said he was not a politician and that he was not a politician.
